

2002 Economic Census Conference: Seminar and Hands-on Training

Presented by: U.S. Census Bureau

Hosted by: Texas State Data Center
The University of Texas at San Antonio

Date: Thursday - September 8, 2005

Time: 9:00 am to noon

Place: The University of Texas at San Antonio - Downtown Campus
Durango Building, Room 2.222

Cost: Free - but space is limited, please reserve your seat by registering online with the Census Bureau at:

<http://www.census.gov/econ/census02/guide/ec02conf.htm>

Goals:

- To make the attendees aware of the range of data about businesses available from the Census Bureau, including both the Economic Census and more frequent data sets.
- To help attendees understand industry classification and the changes brought about by the conversion from SIC to NAICS in 1997 as well as changes to NAICS for 2002.
- To give attendees confidence approaching the Census Bureau website looking for answers to their own questions about business.
- To elicit exchange of information about practical applications of census data.

Additional information and a map are available on the registration web site.

If you have any questions please contact Beverly Pecotte at (210) 458-6536 or David Donovan at (210) 458-6539.
