25 Million Reasons to be Proud of Texas (among a few more)

Demographic Highlights

TEXAS is:

big. The population of Texas is the second largest in the United States, exceeding 25 million people in 2010.⁷

young. Approximately 28% of Texas' population is under 18 and only 10% of the population is older than 65 years.¹ Webb County in Texas, has the youngest population in the U.S. with children younger than 5 comprising 12.8% of the population.⁸

embracing of culture and diversity. Approximately 9 million or 38% of Texans are of Hispanic descent, 2.8 million or 12% are African Americans, and 1 million or 4% are other (non-Anglo mainly of Asian descent).¹ In about a decade, it is expected that Texas' population will have more persons of Hispanic descent than any other racial or ethnic group.⁴

a desired place to live and work. Net in-migration to Texas accounts for almost half of the population growth in recent years.¹ More than 171,900 college graduates moved into Texas each year between 2006 and 2008, placing Texas as 2nd in the Nation by this measure.

urban. Texas has three of the top 10 largest cities in the Nation.³ Several of the metropolitan areas in Texas are among the most rapidly growing in the Nation.⁵

25 Million Reasons to be Proud of Texas (among a few more)

Demographic Highlights

TEXAS is:

rural. Texas is the second largest state in the Nation in terms of square miles (268,601) and approximately 17% of the population lives in rural areas.¹

a working state. Texas has a civilian labor force of more than twelve million workers and an unemployment rate lower than in most States.⁶

family oriented. Texas ranks 3rd among states for the percent of households which are married-couple families with children (24.4%).²

multigenerational. Texas ranks 3rd among states for percent of households which are multigenerational (4.5%).²

growing – fast. Texas gained more population than any other state in the last estimate year (between 2000 and 2010), adding **4,293,741** people.⁷ Among cities over 100,000 population in the U.S., 4 of the 10 fastest growing areas are in Texas (2007-2008 change).⁷
